

I am writing to make the following points about K-LOVE radio station. I listen to K-LOVE daily because of the type of music they provide and their message. It is a very family friendly station and even my adult children enjoy it. I feel if K-LOVE were displaced by an LPFM broadcaster they would not provide the same quality programming. It is for the best interest of the public that you keep K-LOVE on FM.  
Thank You, Lana Steinecker
